

**Curriculum Intent Statement:** The intent of our PHSE curriculum is to deliver a wide variety of **topical issues** and **current affairs** that are accessible to all of our pupils. At the heart of it we are promoting **Catholic values** and virtues in teaching. We will ensure that students are offered a balanced programme that offers a range of viewpoints on issues that enable pupils to become happy and successful individuals who can make a positive contribution to society. By focusing on the three **the Wider world** and **'Relationships'**, we equip our pupils with the skills and knowledge they will need to meet the challenges of our diverse and increasingly complex world.

**"GOD IS LOVE, AND A PERSON WHO LIVES IN LOVE, LIVES IN GOD AND GOD LIVES IN THEM"**
