Options 2023

While we will do all we can to facilitate your child's first choice options, please be aware that it may not be possible in all cases and a 2nd choice may be given in place of a first choice option.

Pupils must choose at least one of French, Geography or History.
A pupil may decide to choose two or three of these subjects if they wish.

**** Maths attainment will determine suitability for Computer Science****

Option Choices need to be completed on MSForms.   A link has been sent to your child's school email account.

	CHOICES - One from each of the following blocks:		
	** Maths attainment requirement for Computer Science**		
	BLOCK 1	**BLOCK 2**	**BLOCK 3**
