DIOCESE OF SALFORD

February 14th 2024,

Dear Year 9 Parent/Carer,

I hope this letter finds you well.

Today you will be receiving your child's Year 9 Spring term progress report.

The report shows your child's current curriculum understanding grade in each subject and their attitude to learning grade in each subject.

The curriculum understanding grade is either Mastering/Securing/Developing. The criteria for these grades is different in each subject and is a combination of summative tasks and ongoing formative assessment that takes place routinely in lessons. Class teachers will be sharing with pupils the requirement for achieving each grade and also providing feedback and next steps for development.

The attitude to learning grade is the grade which we consider to be the most important and is always our starting point when discussing reports with pupils. The attitude to learning grade is either Highly Motivated, Engaged, Passive or Disengaged and grading criteria can be seen on the report.

A reminder that all information regarding our curriculum and details of what your child is learning in each subject area can be found on our school website in the curriculum area.

Please discuss this report with your child - should you have any queries regarding the report please don't hesitate to contact us in school and we will direct your query to the most appropriate person.

Finally, a date for your diary - Year 9 Parents Evening will be taking place on Thursday 7th March. Full details will be sent out after half term.

Thank you for your support.

Yours faithfully

Mr D Breen

Deputy Headteacher
