DIOCESE OF SALFORD

March 26th 2024

Dear Year 10 Parent/Carer,

I hope this letter finds you well.

Today you will be receiving your child's Spring Progress Report electronically, and your child will be given a paper copy. Please take the time to discuss this report with your child. Current working grades and predicted end of Year 11 grades are given – please recognise these are given as a guide.

We always consider Attitude to Learning grades to be of most importance and these are always our starting point for discussions with pupils. We can only control what we control.

As our Year 11 pupils enter the final few weeks of their St Monica's journey, our Year 10 pupils will soon become the leaders of our school. This brings with it both privileges and responsibility – we will be expecting our Year 10 pupils to 'step up' to the challenge.

Should you wish to discuss any aspect of your child's report please contact their subject teachers or form tutor in the first instance.

Thank you for your continued support.

Yours faithfully

Mr D Breen

Deputy Headteacher
