THE ROLE OF THE LOCAL GOVERNING BODY

The term ‘**governing board**’ in this document means the board of directors of a catholic academy trust company. There is a separate code of conduct for the directors of a governing board.

The term, ‘**local governing body**’ means the local governing body (or any other committee operating at a local level.)

As a local governing body, our overarching responsibility lies in ensuring that we comply with our legal and canonical duty to ensure that the Catholic character of the Academy is preserved and developed and that this duty permeates everything that we do. However **all** governors of the local governing body have a duty to preserve and develop the Catholic character of the Academy in order to preserve and develop the Catholic character of the Academy in order to fulfil the objects set out in its governing documents.

OUR THREE CORE STRATEGIC FUNCTIONS:

Further, in accordance with our legal obligations, we endeavour to operate at a strategic level, leaving the Academy’s senior leadership responsible and accountable for the operational day-to-day running of the Academy. It is by achieving these aims that we can be sure that our academy has effective governance. Our core strategic functions as a local governing body, to the extent that any of these functions have been delegated to the local governing body, are in:

1. Ensuring clarity of Catholic vision, ethos and strategic direction;
2. Holding the appropriate senior leadership within the Academy to account for the educational performance an Catholic character of the Academy and its pupils; and for the internal organisation, management and control of the Academy, including performance management of staff; and
3. Overseeing the financial performance of the Academy and making sure its money is well spent.

We understand that the Catholic Church expects Catholic schools to promote and uphold high standards, including academic standards as an integral part of its educational vision for the holistic formation of children and young people.

We understand that Canon 806§2 requires that Catholic schools are “..at least as academically distinguished as that in the other schools of the area” and that governors should be mindful of this requirement in all that they do.

We adhere to the Church’s social teaching which is a rich treasury of wisdom about building a just society and living lives of holiness amidst the challenges of modern society. Several of the key themes that are at the heart of Catholic social tradition and which should permeate through our Academy, are 1) life and dignity of the human person 2) call to family, community and participation 3) rights and responsibilities 4) option for the poor and vulnerable 5) the dignity of work and the rights of workers 6) solidarity and 7) care for God’s creation¹.

- **Objectivity** – In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit
- **Accountability** – Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office
