

Summary

This booklet shows all home to school bus services as provided to schools within the Borough of Bury.

Other booklets are available for schools across the other 9 districts of Greater Manchester and these can be found at tfgm.com/tickets-and-passes/bus-school-bus-services.

In addition to the services contained in this booklet, there is a network of general bus services which can also be used to get to and from school. Details of these can be found at tfgm.com/public-transport/bus/.

Services shown in this booklet operate only on the school days of the schools that the services operate for and will not operate during school holidays or on days when students are not in attendance. Some buses are shared between schools and in these instances, buses will operate on days that all relevant schools are in attendance unless marked on the timetable.

IMPORTANT INFORMATION FOR PARENTS/CARERS - If you are using school bus information to choose your child's school, please be aware that these services are subject to change and may be withdrawn due to low use and/or a suitable public transport alternative. Any alternative may involve a journey of up to 90 minutes, use the general service network and a change of bus on route may be required.

The provision of direct school buses in the 2026/27 academic year does not indicate that these buses will be provided in future academic years and parents should consider carefully how their child may get to/from school if no school bus was provided.
